CALCTRA DENTAL SERVICES

CALCTRA Dental Lab is located at Central California Women's Facility (CCWF) in Chowchilla, California. Dental services to the California Department of Corrections began August 1992 and have since expanded to include support to the Department of State Hospitals.

CALCTRA's laboratory maintains a complete dental prosthesis selection and is committed to providing exceptional value, consistent quality and excellent customer service.

Our Services Include:

- Expert consultation to help dentists resolve cases quickly
- Monthly performance reporting for Chief Dental Officers
- Support with prescription documentation
- Secure and proper shipping methods
- Reliable repair services
- Rush-order processing upon request
